

Benjamin G. Domb, M.D.

Sports Medicine & Arthroscopic Surgery

Staff Physician, Hinsdale Orthopaedics

Dr. Domb is a nationally recognized orthopaedic surgeon specializing in sports medicine and arthroscopic surgery of the hip, shoulder and knee. A noted pioneer in advanced new techniques in hip arthroscopy, he delivers innovative treatments for patients with hip injuries such as impingement and labral tears. Dr. Domb is also an expert in arthroscopic surgery of the shoulder and knee, adept in specialized techniques including arthroscopic rotator cuff repair and all-inside ACL reconstruction.

Dr. Domb has treated numerous professional athletes, and has cared for the Los Angeles Lakers, Dodgers, Kings and Galaxy professional sports teams. Patients from across the country consistently travel to Chicago to seek Dr. Domb's expertise. Dr. Domb takes pride in caring for each patient like a professional athlete, using the same meticulous approach to restore them to top-level performance in sports, work and day-to-day life.

As the author of more than 20 publications in the field of sports medicine, arthroscopic surgery and hip injuries, Dr. Domb lectures and teaches courses regularly for orthopaedic surgeons around the country. He has repeatedly been invited to be a guest speaker at the American Academy of Orthopaedic Surgeons and other national meetings and is actively involved in the research and development of new techniques in arthroscopic surgery.
