

WORLD-CLASS TREATMENT FOR CHRONIC KNEE PAIN.

If you suffer from chronic knee pain, and don't want to go through the surgery and long recovery time of a full knee replacement, Adventist Hinsdale Hospital invites you to a special even where you can learn the benefits of partial knee resurfacing.

Adventist Hinsdale Hospital is the only hospital in the western suburbs offering revolutionary MAKOplasty partial knee resurfacing technology. Through robotic arm technology, this minimally invasive procedure results in a more rapid recovery time, shorter hospital stay and more natural feeling knee. Adventist Hinsdale Hospital, world-class knee advancements, right in your own backyard.
