

Justin M. LaReau, M.D.

Hip & Knee

Staff Physician, Hinsdale Orthopaedics

Dr. LaReau, a University of Michigan Medical School graduate, specializes in reconstructive surgery of the hip and knee. While completing his orthopaedic surgery residency at Henry Ford Hospital in Detroit, Michigan, Dr. LaReau served as Chief Resident and received the Resident Research Award. His subspecialty training includes a fellowship in Adult Reconstructive Surgery at New England Baptist Hospital and an additional fellowship in Hip Preservation Surgery at the Children's Hospital of Boston.

Hinsdale Orthopaedics welcomes Dr. LaReau to our skilled team of physicians as of March 2010. He possesses a passion for orthopaedic research and humanitarian outreach. His research in orthopaedic trauma, pediatric orthopaedics and joint replacement surgery has been presented at national meetings. His outreach efforts have included work within the United States as well as surgical mission efforts in South America. Dr. LaReau is an active member of the American Academy of Orthopaedic Surgeons.
