

# Jeannine R. Suarez , PA-C

*Staff Physician Assistant for Dr. Daley*

A board certified Physician Assistant (PA-C), Ms. Suarez is a graduate of Rosalind Franklin University, a National Commission on Certifications of Physician Assistants (NCCPA) accredited program. Her education and training focused on orthopaedics with emphasis in joint reconstruction. She holds an undergraduate degree in Exercise Physiology from Wright State University in Dayton, Ohio. Ms. Suarez's previous work experience includes total joint reconstruction in Indiana and Illinois and orthopaedic sports medicine. She works alongside Dr. Daley and his team in the clinic and hospital setting to help diagnose and treat multiple hip and knee related problems. She assists Dr. Daley in the treatment and care of thousands of patients who receive hip and knee surgeries and she helps to manage their follow-up care.
